Paving Bids

Attached are the bid tabulations for the paving proposals for 2015. E&B is the low bidder.

I am proposing that we approve all of the streets that were quoted:

Gray Street	\$25,732.96
Italiano Drive	\$ 6,508.24
Hoffer Drive	\$15,639.77
Timber Ridge Ct	\$13,609.86
Deer Run Ct	\$ 9,033.24
North Street	\$ 9,268.09
CR 500 W	\$23,761.63
Total Road Paving Cost	\$103,553.79

The funds utilized would come from the MVH fund.

In addition I would recommend that we also approve the trail construction, which will run from Buckingham Rd (where we stopped last year) to about 2 properties short of CR 500. We are still working with a couple of the land owners and are not ready to get all the way to 500, I will ask E&B to put a road entrance down for the time being.

The price on the bid tabulation sheet is incorrect, the total cost is \$99,943.70. I asked for a quote on a second asphalt type and Jason summed all items, we won't put the 9A (a general intermediate course that can be used as surface) down instead utilizing base and surface.

I would recommend that we utilize Park funds for this and in addition I expect that Four for the Fourth will make a donation to be utilized also.

Pete
