Request for Funds from Yorktown Schools for Guest Community Speaker

Amy Heath, Literacy Coach for Yorktown Community Schools, has requested funds to help bring Homer Hickam to speak to the community and students. Mr. Hickam is a former NASA Engineer and the author of "Rocket Boy" which was later made into the movie "October Sky". Amy is working with a number of organizations trying to raise the speaking fee, and reached out to the Town as a possible sponsor.

I would recommend making a donation from Promotional Business in the amount of \$1500.
