There are a few special claims with the possibility of an additional claim to be added on Monday.

1st, the final claim for Ryne-wood Construction on the build out of the Police Dept/Council Chambers. Keith and I did a walk through and are satisfied that all contractual obligations have been met. I would recommend payment.

2nd, the bill for Beghtel painting is part of a façade grant program through the redevelopment commission. The Commission is meeting at 4:00 PM on Monday and will take up approval of the claim, assuming their approval, I would recommend the claim be paid from TIF district 1 as that is where the façade grant is established to be paid from.

As I mentioned we may have more claims before Monday that I will provide explanation for.
