Officer Gross has recently been accepted into the Marine Corp reserve. After asking some questions regarding pay and benefits associated with Military Leave, I felt it was necessary to review our current policy to the Indiana State Code. The research showed that the current policy is deficient or contradicts the required code, which is an edit that Assistant Town Manager Blevins is working on. The problem being that Officer Gross is leaving for Basic Training in October; I feel it is appropriate to recommend adopting the state code as the updated version of personnel policy for Military Leave until the personnel policy is complete.
