By agreement of the board, the meeting proceeded to New Business as a time

David Hurley has made a request of the Park Board, on behalf of the SIRA, to allow the  
SIRA Grand Prix racers to have an event in Morrows Meadows in September of 2018  
This request was discussed thoroughly with Mr. Hurley and among the Park Board.  
There being several questions concerning the event i.e. insurance coverage, if the park  
pathways are actually appropriate for racing according to the SIRA rules etc., the matter  
was tabled for to nights meeting and have requested Mr. Hurley attend the November 8,  
2017 Park Board Meeting to provide further discussion regarding the event.

9/22 and 10/19

**OLD BUSINESS:**

At the 9/13/17 meeting there were several areas of concern regarding the Yorktown  
Master Park Plan discussed by the Board with some concerns as to wording. Therefore,,  
it was requested Mr. Lake appear at the October, 2018 meeting to help address these  
concerns.

Each area of concern that was discussed by the Park Board in September was throughly  
discussed to the satisfaction of the Park Board and Mr. Lake. Due to the fact there  
was not a quorum of members present at that time, no was vote taken and Todd and  
Dan will continue to edit the plan as necessary should they discover additional areas  
of concern.
