

ORDINANCE NO. 639

**TOWN OF YORKTOWN
An Ordinance Establishing Procedures for the
Registration of Contractors**

WHEREAS, the Town Council of the Town of Yorktown, Indiana, desires to enact certain procedures for the registration of residential and commercial builders, electricians, plumbers and heating and air conditioning contractors performing work within the Town limits; and

WHEREAS, such contractors should be required to fill out a registration application before performing such work. The application form shall require the contractors to be bonded and insured for liability and for workers compensation.

NOW, THEREFORE, BE IT ORDAINED by the Town Council as follows:

1. The registration of residential and commercial builders shall be required and the Town's Building Commissioner shall prepare a registration application to be submitted by such contractors before the performance of work in the Town limits. Such application shall require that the contractor be bonded and insured for liability and for workers compensation.

2. Such registration shall be renewed annually by the contractors.
