Salary Ordinance No 748

In December I failed to include a raise for on category in the Waste Water Treatment Department. I inappropriately thought all of our operators were a level 2 and it turns out that one of them is still a level 1. At this time I've corrected the ordinance and made the appropriate change. I would ask that the council introduce, waive the 3 readings and approve ordinance 748 along with making the pay adjustment retroactive to Jan 1 of 2017.
