Building Disposal/Remodel

I'm currently working with ADM Real Estate on the disposal of 9730 W Smith and 9800 W Smith. Along with those same lines we are working on a relocation plan for the Police Department. At this time it is my intentions to utilize the lions club building across from the Field Ops building for the Police and also a council chamber. I've been working with US Architects to obtain some preliminary plans and hope to have a better idea of what it will take so I can update the council.
