Nebo Sidewalk LPA Agreement

As mentioned last month, we have entered into contract with BF&S to design the sidewalks along Nebo Rd. This document is the approved contract by INDOT for use between the Local Public Agency (LPA) in this case Town of Yorktown and the consultant in this case BF&S.

The agreement and contractual price was established after laying out the sidewalk location on the west side of the road and taking into account storm water utilities and the bridge widths. The contract amount is for \$138,980 and is reimbursable at the 80/20 split due to the use of federal dollars through the Metropolitan Planning District (MPO). Timing for the project should fall in the following time frames:

Design begins 2017

Construction 2020

Please remember that all dates used here are on the Federal Budget Year Calendar so when I say 2018 that really means July of 2016 to June of 2017.

We need to approve this document, sign and return to INDOT so that INDOT can release the dollars to begin design and obligate the funding source by June.
