At the beginning of the year, I contacted the YHS Publications student group about the possibility of doing a promotional video for the Town. Ms. Wendy Gilliam and her students spent the entire spring semester (and part of summer break) working on the video, titled “Why is Yorktown Your Town?”, and I couldn’t be more pleased with the outcome. Ms. Gilliam and some of her students will be in attendance as we premiere the video at Monday’s meeting.
