### **School Resource Officer Memorandum of Understanding**

Yorktown Community Schools is creating a School Resource Officer position for the district. The officer will be on site during school days and after hour activities. Due to jurisdictional responsibility by the Yorktown Police Department and the fact that some of our officers may apply to work as the SRO during their off hours the school has put together this MOU to create the basic outline of responsibilities. This also creates clear chains of command to help alleviate the town from legal liabilities of the officer while they are employed as the SRO.

Additionally Mr. Murphy has prepared a legal acknowledgement that we will keep in our officers personnel files to verify that they are aware of whom they report to and are liable for during periods of employment as an officer working "off duty" for other entities.

Pete Olson  
Town Manager
