### **Placement of Stop Signs**

The Heritage Retirement Village Condominiums Association, Inc. has requested that 2 stop signs be installed at the corners of Patriot Dr and Freedom Dr. This will help allow for traffic to exit smoothly between the newly constructed condominium areas and the original development. The association is responsible for the private streets and placement of the stop signs on those assets, but only the town can provide the authority and placement on streets that have been accepted into the road inventory.

I recommend introduction of the ordinance with passage available in March.
