

PROPOSAL

Issue:

Earlier ARPA spending Resolution 2022-3 which adopted the plan for distribution of the proceeds of the Town's grant from the American Rescue Plan Act of 2021 did not specify the use of all the funds received. There remains \$495,458.65 which has been received and is unallocated.

Proposal:

- \$250,000.00 dedicated to the Redevelopment Commission for downtown development.
- \$245,458.65 dedicated to parks and recreation improvements such as trails, parks, and/or equipment.
