

## **PROPOSAL**

### **Issue:**

The price for new water meters will be increasing by 30% on May 1. Water Superintendent Jamie Mixell would like to stock up now before the price increase in preparation for the meter changes he has planned for the summer.

### **Proposal:**

Water Works has submitted the following quote for an additional 100 water meters, nodes, and some other parts needed for the summer change out.

### **Cost:**

\$28,335.26
