

YORKTOWN TOWN COUNCIL

Tuesday, September 9, 2014 @ 6:30 pm Meeting
Muncie Alliance Church

Town Officials present: Council Member Vise, Town Manager Olson, Town Attorney Murphy and Clerk Treasurer Neff

Butler, Fairman & Siefert Engineering presented the information on the River Road Trail

B, F & S explained the process for appraisals, land purchases from homeowners, how to dispute appraisals, amount of easement would be needed, tree removal, tree plantings, driveway repairs, lighting along trail, and cost of the project.

Public Comments: Rick Yencer, No parking for access to trail, does not connect to Muncie trail along White River.

Mike Blanch, Would rather see River Rd repaired before spending more on trails. Excessive price tag.

Don Stetson, Would like lighting along trail, would like to have options about trees being cut down, concerns for safety of people along the area of River Rd to connect with Muncie trailhead where there is no trail or sidewalk.

Beth Edwards, Liability on trails in front of homeowner property. Would rather start the trail from an existing trail.

Grace Baptist Church, Safety issues, vandalism

Hoard Schroeder, Speed along River Rd, snow removal off of trail, mailboxes, septic systems, grass mowing between trail and road, driveway repairs and liability were concerns voiced by Mr. Schroeder.

There were others that stated similar issues as are reported in the few documented here. There are meeting minutes that will be created by B, F & S for this public hearing.

Public Hearing closed 7:13 pm.

Members of the public remained to ask specific questions to the presenters.
