Dissolution of Yorktown Court

As required by statute if the council desires to dissolve the Yorktown Town Court there must be an Ordinance doing so. This is the follow up step to the discussion that was held during budget discussions. As previously mentioned the court for the last few years has been a drain on our taxing unit vs providing revenue to the community.

The intention for this ordinance is introduction during the September meeting and final approval in October if the council so desires.

Pete Olson
Town Manager
