LTB Construction, Inc. is pleased to submit the following proposals for the referenced project sites. Proposal prices are based upon items listed below:

**Areas to be completed:**

- Walk Path – Buckingham Dr. to 500
- Walk Path – 500 to Butternut Rd.
- Walk Path - Nebo to Morrison Rd.
- Free Public Parking Behind Osbornes Kitchen
- Field Operations Building

**Prep:**

- All lot surfaces to be cleaned free of dirt, debris
- All ¼" crack to be cleaned free of vegetation and dirt, apply parking lot grade SealMaster Crack Sealer

**Sealcoating:**

- All lots/paths to receive two (2) coats of Polymer – Modified MasterSeal (PMM)

**Striping:**

- All striping to receive 4" line to match existing conditions using Sherwin Williams Hot Line (Blue/Yellow)
- All existing symbols, signs, hashes, handicap spaces to be repainted using Sherwin Williams Hot Line

**Clarifications:**

- Only minimal crack filling for walk paths due to more broken-down areas
