River Rd Trail Extension

Attached is a proposal for the extension of the trail on River Rd from its current terminus to Woodland Trails Blvd. This proposal includes adding 1 1/2" of surface from 8180 W River Rd to the current terminus, then placing stone and asphalt including finish surface from 7900 W River Rd to Woodland Trails Blvd. approximately 1000'.

I am recommending funding approval from the MVH fund which has the ability to cover the cost.
