Marshal St. John has asked that two items be placed on the agenda, the first is the hiring of an officer due to the vacancy created by the retirement of Sgt. Whitesell. There were over 40 resumes submitted for the position, both a mix of veteran officers and individuals who desire to become an officer. Marshal St John, Captain Daugherty and Officer Brooke Barnard interviewed approximately 15 candidates and I joined the trio for finalist interviews.

It is the Marshal's recommendation and I fully support the decision to offer Myron Howard the position. Mr. Howard is a Yorktown graduate, recently graduated from Wabash College and has been working in various levels of retail and commercial security. It is a collective belief that Mr. Howard will be an excellent addition to the department.

The second item is the promotion of Chris Greene to fill the afternoon Sergeants position due to the retirement of Sgt Whitesell. Officer Greene is one of the Town's representatives on the County SWAT team, has been an instructor on various levels and currently serves as a school resource officer for the Yorktown Community Schools. His promotion will not affect his ability to work with Yorktown Community Schools.
