Pay off of Bunker Gear

As I mentioned last month, Chief Boone and I have been discussing an early pay off for the Bunker gear that purchased 2 years ago. The Department Fund can absorb this pay off, and the Chief's goal is to begin looking at doing a similar lease program for self-contained breathing apparatus. At this time the payoff is just shy of \$107,000.

I recommend paying off the bunker gear lease at this time.
