Memorandum of Agreement – City of Muncie

The City of Muncie recently reached out to see if the Town would entertain the prospect of having our paving contractor do some road work adjacent to road work that the town is doing in the City of Muncie. This would allow the city to capture our unit pricing and efficiencies as the crew is already in place working on those roads, specifically River Rd east of Morrison.

The City and our legal teams drafted this MOA, to layout some basic terms, so that both communities could benefit. As always it excellent to partner with the City when the opportunity presents benefit both communities, I recommend passing the MOA.

Respectfully,

Pete Olson
Town Manager
