Resolution 2020-22

Mr. Turner has been working on streamlining the bills paying process for the town. Many of the vendors that we work with now have the ability to accept ETF or ACH payment from the town. If the council adopts the following resolution, the Clerk Treasurers office will have the ability to set up that process which will save time, paper, and effort making the accounts payable process much easier.

I would recommend accepting the resolution.

Pete Olson
Town Manager
