Sealing Various Asphalt Surfaces

As part of routine maintenance, I've asked LTB to provide pricing to sealcoat various asphalt surfaces. I would recommend that the council approve the following for sealcoat application:

- Morrow's Meadow \$26,888.37
- Field Operations Building \$ 9,344.64
- Fire Station \$ 5,021.07
- Public Parking on Walnut \$ 2,953.35

This is a total of \$44,207.43 which would be paid from a split between the park and street departments.
