### **2022 Salary Ordinance**

The 2022 Salary Ordinance is attached. It shows a 2% increase for personnel outside of the Yorktown Police Department. The Police Department does not show an increase due to the changes that were made in 2020. In the Yorktown Police Department there are retroactive payments for Interim Chief Position for the last portion of 2021.

I have recommended increases for clothing allowance for the public works employees due to the increase in cost of goods. Additionally, I'm recommending a reward for those employees who have obtained their bachelors degree. This is similar to the tech pay that the police department utilizes.

Additionally, after speaking with Council President Lee an increase has been recommended for the clerk treasurer.
