Resolution 2022 -23

Approval of financing for the SCBA

The following resolution authorizes the Clerk Treasurer to enter into a lease purchase agreement for the purchase of the Self Contained Breathing Apparatus for the fire department.

The repayment has been built into the fire department budget. The lease purchase is a 10 year agreement at 2.89% interest. There is no early prepayment fee which is something that Chief Boone desired in case he had extra funds in the annual budget.
