Memorandum of Understanding with Yorktown Community Schools regarding School Resource Officer

The YCS has requested an update to the memorandum of understanding that was approved in approx. 2018. This lays out the duties of any YPD officers that are hired by the school and act as School Resources Officers in the capacity of an off-duty officer. There are two specific changes that have been requested; the first is the change in direct supervisor, while the second is a requirement that any officer working as an SRO is up to date on all required training.
