Ordinance 725

In 2011 when the consolidation plan was adopted two of the elected offices (Clerk Treasurer/Town Judge) were not moved to election cycles associated with a congressional or presidential election. This means that there are still additional funds spent by the Town to hold the election for these two offices outside of a national cycle. The State Legislature and Administration has crafted rules that do allow for the election cycle of office holders change.

Passing this ordinance would put the Clerk and Judge on a congressional election cycle and would save dollars spent by our community. The ordinance establishes that the next election will be for a 3 year term and then for 4 year terms after that.
