August 18, 2017

As is the case with open burning, the Town currently enforces fireworks regulations during both holidays and non-holidays but does not have a fireworks ordinance on file. This proposed ordinance follows Indiana Code for fireworks regulations, which is what YPD/YFD currently go by.

I should also note that passing both this ordinance and the Open Burning ordinance will likely improve the Town's insurance rating from the International Standards for Organization.

Todd B.
