Reduction of Speed While School is in Session along River Rd from Buckingham Dr west to the intersection of Tiger and River Rd.

As you will recall Mr. Simpson from the Yorktown School Board attended the last meeting to request that the council consider an ordinance reducing speed during school hours reducing the speed of River Rd from 40 mile per hour to 30 miles per hour. This ordinance amends the traffic code for traffic along River from Buckingham Drive to Tiger Drive during school hours.

I would recommend adoption of the ordinance.
