### **Ordinance 724 – Dissolution of Town Court**

I've spoken with the Prosecutor's office and they in turn have spoken with the court administrator on establishing a date of April 3 for the switch over from the Yorktown Town Court to whichever court the prosecutor's office desires to file cases in. There is a small chance that they may want an extra 30 days, and if requested we can approve an extension by ordinance.

This ordinance lays the closing out, in addition it formalizes that the judge shall be paid through the remainder of the term and that we will offer 2 months' severance to the current full time court employees consisting of salary and insurance benefit. I make this recommendation as we have already stated that it isn't the fault of the judge or current staff, but the scenario in which tickets have declined.

I recommend adoption of Ordinance 724
