### **Multi-use Trail**

The town has requested RFP's for development and construction a multi-use trail from the entrance of Woodland Trails to the connection at The Players club which is part of the Roundabout Construction. We are utilizing the Build Operate Transfer statute once again and were intending to make a recommendation in June, but only one firm responded to the RFP.

I am recommending that the council approve moving forward to the scoping phase with Genesis Municipal Development.

Respectfully,

Pete Olson  
Town Manager
