Mowing	
<ul style="list-style-type: none"> • Lawns will be mowed on a weekly basis at a height of 3-4". All grass clippings will be mulched back into the turf. • Line trimming will be completed on trees, buildings, bed edges, hard surfaces edges, etc. • Grass clippings on all hard surfaces will be blown back into the turf. Litter in the lawn will be disposed of prior to mowing. • If weather prevents mowing on a regular basis and more than 2 weeks elapses between mows, Lawn Gator reserves the right to charge up to twice the cost of a single mowing on the next visit.
