

PROPOSAL

Issue:

When the Ordinance Violation Bureau was created by Ordinance #294 in 1990, the maximum penalty that could be accepted at Town Hall was set at \$25. Civil fines have increased for violations such as parking, golf carts, nuisances, and fire code violations since that time.

Proposal:

Ordinance #835 increases the dollar amount that may be accepted for OV violations to \$250, as is allowed by Indiana Code. This does not change any existing fines, only allows those fines to be paid here at Town Hall.
