

## **PROPOSAL**

### **Issue:**

The Civic Green lawn and planting areas need amendments to ensure that the soil will support healthy plants. We have lost three trees already and need to make sure this is not a continuing problem.

### **Proposal:**

Certified Consultants Ltd, who we hired to perform annual soil and irrigation audits has made recommendations to Jay Crew. The attached proposal for fall aeration/overseed and soil amendments is a result of that audit.

### **Cost:**

\$5,990.00
