

PROPOSAL

Issue:

Our three water tanks require an annual inspection and continuing maintenance. Leary Construction Company has been providing these services in the past and their contract has now ended.

Proposal:

Leary Construction has provided the attached quotes for another 10-year term. Water Superintendent, Jamie Mixell, recommends we accept the proposals.

Cost:

\$37,317.42/annually (covers all three tanks)

Cost to be paid from Water Repairs & Maintenance (Contract) 6101001336
