

PROPOSAL

Issue:

Yorktown Police Department is in need of a new vehicle for their fleet.

Proposal:

Attached is a quote for the vehicle from Kelley Chevrolet. This is quoted through the Indiana State QPA, which is the guaranteed lowest price in the state. Also included are quotes for the lights, sirens, and markings. This was a budgeted item and should be the only large purchase from the police department this year. We will move our older vehicle in the pool for the part-time officers to drive when they work.

Cost:

\$51,092.99

Cost to be paid from Marshal Machinery & Equipment

Kurt Walthour, Chief
Yorktown Police Department
