

## **PROPOSAL**

### **Issue:**

The water department needs to continue replacing aging residential water meters as they fail.

### **Proposal:**

Water Works Metrology has submitted the following quote for 100 meters and nodes. The plan is to use these to replace failing meters over the summer months.

### **Cost:**

\$25,268.00 + freight

*Cost to be paid from Water Operating Supplies 6101001223*
