Dear Erin,

We are both thrilled and incredibly grateful that Yorktown would like to partner with Science Central in 2025-2026! Science Central is a catalyst for learning and a place where imaginations are sparked daily. This partnership will further our mission of providing inspiring and fun hands-on science education for all people of all ages.

The information below outlines the partnership we discussed. Please don't hesitate to contact me should you have any questions.

Yorktown – 2025-2026 Partnership Proposal Details:

Complete Details:

- Summer Programming Partnership – 2025-2026

- Science Central staff will provide outreach programming for each week of the summers of 2025 and 2026 (excluding the weeks of the 4th of July) according to the plan below. The Town of Yorktown will provide Science Central with a list of preferred dates for the programming to occur. In the case of inclement weather or unforeseen circumstances, dates of programming are subject to change. These programs may be changed upon discussion between Science Central and the Town of Yorktown if Science Central's programming menu changes (ex. A program is retired or a new program is introduced).

- **Week 1: What's the Matter?**
- **Week 2: Wild Weather**
- **Week 3: Fantastic Forces**
- **Week 4: Inside Fireworks**
- **Week 5: Digging into Paleontology**
- **Week 6: What's the Buzz?**
- **Week 7: Food, Poo, and You**
- **Week 8: Experimenting the Process**

Addendum:

This Addendum is made to the agreement between Science Central and the Town of Yorktown:

Yorktown provides: Funds to cover programming totaling \$4,880

Cost breakdown:

Anticipated 2025-26 Pricing

- 16 total demonstrations
- Anticipated 2025-26 outreach price = \$180 per demonstration*
- $16 * 180 = 2,880$
- Anticipated 2025-26 milage price = \$125 per demonstration (121-180 miles roundtrip)
- $16 * 125 = 2,000$
- $2,880 + 2,000 = 4,880$ total cost

*Program pricing is subject to a 0-10% increase annually at the discretion of Science Central based on economic stability.
