

## **PROPOSAL**

### **Issue:**

Councilmember Bryan Smith requested we investigate handicap door openers for the front doors at Town Hall. While not required by ADA, they would provide easier access to the building for those with mobility issues.

### **Proposal:**

Short's Glass & Plastic, LLC has provided the following quote for the door openers with installation. There will be additional electrician expense for power to the system.

### **Cost:**

\$9,826.00 + electrician (to be determined)
