

## Professional Pyrotechnics show for the town of Yorktown Indiana 2025-2026

### ■ Price of the show includes:

1. Pyro-technics product and Equipment to fire show
2. Delivery and set-up
3. Firing of show
4. Applicable permits and filing fees
5. \$1,000,000 Fireworks Display Liability Insurance
6. Basic area cleanup

### ■ Town of Yorktown is responsible for area security during show set-up and display.

We will be firing some of these by wireless remote controls so we will have wires going to racks on the ground. It is vital to keep the spectators clear of the area.

We will consult with your local official before the show of the safe area that is needed for pyro-technics

Boomtown Fireworks agrees to all parts of the quote for the years stated and will continue to produce shows of 15 to 25 minutes long.

We will consult with you prior to the show to conform your desire.

2025- \$21,000 - 2026 -\$21,500

Rain date for current year show would need to be prior to the following year show
