RE: WWTP Emergency Generator Replacement – Award Recommendation

Dear Council Members:

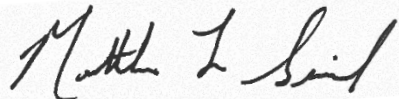

The Town received Quotes for labor and miscellaneous materials required for the replacement of the Wastewater Treatment Plant Emergency Generator on November 3, 2025. The Quote received was from Electric Plus, Inc. in the amount of Two Hundred Fifty-Two Thousand Seven Hundred Dollars (\$252,700.00.)

Butler Fairman and Seufert, Inc. has successfully in the past worked with Electric Plus, Inc. and believe that they can perform the work as required for the project. It is recommended that the Town Award the project to Electric Plus, Inc. in the amount noted above.

If you have any questions or comments on this matter please contact the undersigned at the Indianapolis office of Butler, Fairman and Seufert, Inc. at (317) 713-4615.

Very truly yours,

BUTLER, FAIRMAN and SEUFERT, INC.
