Crack Seal Quote

Pavement Solutions has provided the following quote for “crack seal” in various neighborhoods for our community. I’m looking at doing approximately 82,000 sy or about \$45,000 dollars worth of crack seal. I’m recommending Sub Division 1 (Butternut), Sub-Division 3 (Evergreen) and Sub-Division 4 (Haverhill), but I’ve asked Pavement Solutions to look at a couple of the roads again in case I want to change the exact roads. This money would come from Local Road & Street which is earmarked specifically for road construction and maintenance costs.
