### **Resurfacing of Streets:**

The Town accepted bids for resurfacing of various streets. There were four bidders on the street project:

E&B Paving – \$284,458.63

Baumgartner & Co. - \$333,576.00

Milestone - \$337,690.80

FE Harding - \$349,701.00

I would recommend that we approve the contract with E&B Paving. Part of that price does include Wellington Knoll, which I would ask the council to consider. In talking with representatives with E&B and the other contractors there is some probability that not all of the streets will get paved this year as there is a backlog of work that is still being completed from the 2017 season.
