### **Surplus Property**

As the Marshal's department has been working on replacing their vehicles we now have a surplus that we need to dispose. Marshal St. John and I are asking that you declare the vehicles surplus and allow us to find an appropriate online auctioning site to place the vehicles for sale. This is allowed in the state code and there are a number of auctioning sites that we will be reviewing to find the best terms for the town. In addition to the police vehicles I have added our old street sweeper to the mix.
