### **Ordinance 806 2021 Salary Ordinance**

Attached is the 2021 Salary Ordinance for the town. There is an administrative to change to the Waste Water Treatment Plant operator 3 license and an increase for the Marshal's department as those salaries have not been adjusted in 3 years. The change for the Marshal's department that is established in this ordinance will be for a 5 year period instead of a 3 year period as has been done previously.

Currently due to the pandemic and the lack of knowledge on how municipal finances will be effected going into 2021, I am not recommending changes for the rest of the staff who have seen annual changes for the last 10+ years. I recommend approval of the ordinance and if council feels appropriate waiving of the rules to adopt.
