

Riley Run HOA

PO Box 136

Yorktown, IN 47396

We, the HOA board and residents of Riley Run, wish to petition the Town of Yorktown to lower the speed limit on the streets within the neighborhood - Oak Hammock Dr, Lake Forest Dr, Sandal Wood Dr, and Windswept Court – to 20 MPH. There has been an accident on the main street due to speed and there are families with small children that enjoy walking through the neighborhood and would like to do so without the danger of the vehicles traveling at the higher speed limit of 30 MPH. We encourage you to put this on the council agenda and to a vote at the earliest convenience. Thank you.

Sincerely,

The Riley Run HOA Board
