Updates to Yorktown ADA & Title VI Policy

The Town is often a recipient of federal funds most often passed through from INDOT and the Local Metropolitan Planning Organization. One of the requirements monitored by INDOT is that we maintain proper ADA, nondiscrimination policies. We have in the past worked with Delaware County on many of these policies and projects.

INDOT notified us that we need to start review and make some updates to our current policies. In addition, there are some items that Delaware County is unable to cover the town on; I have asked Erin to start working on these policy reviews. We will be creating an area on our website to make sure that these policies are visible to the public. Below are two policies that we are asking you to introduce so that we can work with INDOT for review and start posting items to our website.

Pete Olson
Town Manager
