Police Department Vehicle Purchase Encumbrance

The Police department has the funds to purchase the last 3 vehicles needed to completely turn the fleet over. They would like to purchase Ford F150 – Police Responder vehicles. These vehicles will need to be ordered, so the ask of the council is to encumber the funds from 2021 to 2022.

Encumbered funds, allow the clerk treasurer to save those funds, then add them to the appropriations for the following budget year. Attached are the quotes for the truck. I recommend approving the resolution for encumbrance.
