Lateral Transfer Hiring List

The Police Department has put together a list of interested lateral transfers to become officers for the Town of Yorktown. Officer's Harless, Daugherty and Jaromin along with myself have or will have interviewed the various candidates by the end of 6-17. The officers will make an ordered list for the applicants and would like to hire the top individual as a lateral transfer into the department. Additionally there is a desire to keep the list through the end of 2022 or until extinguished, should an additional opening occur, the officers would like approval to hire the next candidate prior to the next council meeting utilizing the list in numerical order. The list will be provided to the council prior to the meeting.

Background checks have been completed on all candidates with no issues, all are still certified ILEA officers.

Using the lateral process will save time in getting the next officer on the street, vs the need to send them through the academy process.

I recommend the approval of the list, the hiring of the first candidate and giving the officers the ability to hire additional candidates should a position open.

Pete Olson
Town Manager
