

# Municipal Utility Collection Program.

## ***An Effective Debt Recovery Service for Utility Accounts***

- **No-Cost Utility Fees Collection**

- IC 5-22-6.5 allows for city utilities to implement a “no-cost” collections plan.

- **Partner with an Experienced Collections Company**

- Boyce’s relationship with Atlas Collections provides your municipal corporation with a utility collections company that has 46 years experience recovering debt for Indiana-based companies.

- **Atlas Integrates with Your Software**

- Atlas Collection’s debt recovery program works seamlessly with your Keystone Software legacy application.

- **Collect with Sensitivity**

- Firm but fair collection approach
  - Open, honest communication
  - Compassionate, expertly trained staff

- **Ready to learn more? Call 765.751.3209 today to talk to Al Holdren, Atlas Collections’ Director of Sales. Or contact your Boyce sales representative by calling 800.382.8702.**
